Skills & qualities - I sing and dance in a Polynesian dance group. I performed all over with the group but my favorite is dancing every year at the Living Traditions Festival in downtown Salt Lake City. I love to play sports outside and especially go swimming with my family and friends, but just like other boys I love video games with my friends. I'm attractive with a very fun and happy personality. I am also very photogenic and love to pose for any camera. My big Black and White eyes just captivates you and my beautiful complexion comes from my Black/Maori background. I'm a great kid to work with.
